VIP OB

What is VIP OB?

VIP OB is a program we designed to offer you highly specific concierge services that go above and beyond the traditional services of a regular Obstetrical office.

What does the VIP OB program include?

- 24 hour access to Dr. Wright and our providers via texting, calling and email
- Guaranteed delivery by Dr. Wright who will be in the hospital with you for the full active labor
- Certified Doula Services available
- One on one prenatal classes
- Ultrasound with fetal photo available at every appointment
- Additional 3D 4D ultrasounds
- A Personal Fashion Consultant for your changing pregnancy and post pregnancy body
- Photographer to document the pregnancy and first year of life of your new baby
- Prenatal Massage treatments by a licensed pregnancy specialist
- Elective cesarean section or induction at term available upon request
- Limo services available
- No wait appointments

This is only a small portion of the services available. Please make an appointment with our patient concierge for a more detailed view of all services available.

How much does the VIP OB Program cost?

These are concierge services that go above and beyond what is covered by your insurance. There is a fee in addition to what we would bill your insurance. Different packages are available. Please make an appointment to speak with our patient concierge to discuss which package is right for you.

Is VIP OB my only option?

Even if you choose to not participate in our VIP OB program we will provide superior obstetrical care for you through 20 to 24 weeks with the traditional insurance. We work with several Obstetricians who are familiar with our high quality services and we will help you to handpick the one that is right for you.

If you choose to not participate in the VIP OB Program we are definitely NOT dismissing you from our practice. Feel free to call us at any time with questions or concerns. We look forward to seeing you back for your annual gynecological exams along with your new addition to the family!

Why should I get any prenatal care here?

By starting your prenatal care here you still will have the benefit of having the personalized luxury healthcare that The Wright Center provides on a daily basis
